EuMW2025 app

Career Platform Appointments

To use the career platform you need:

- **Create a profile in the Network area**
- **Request the connection with the person of interest**
- **Make an appointment**

Create a profile

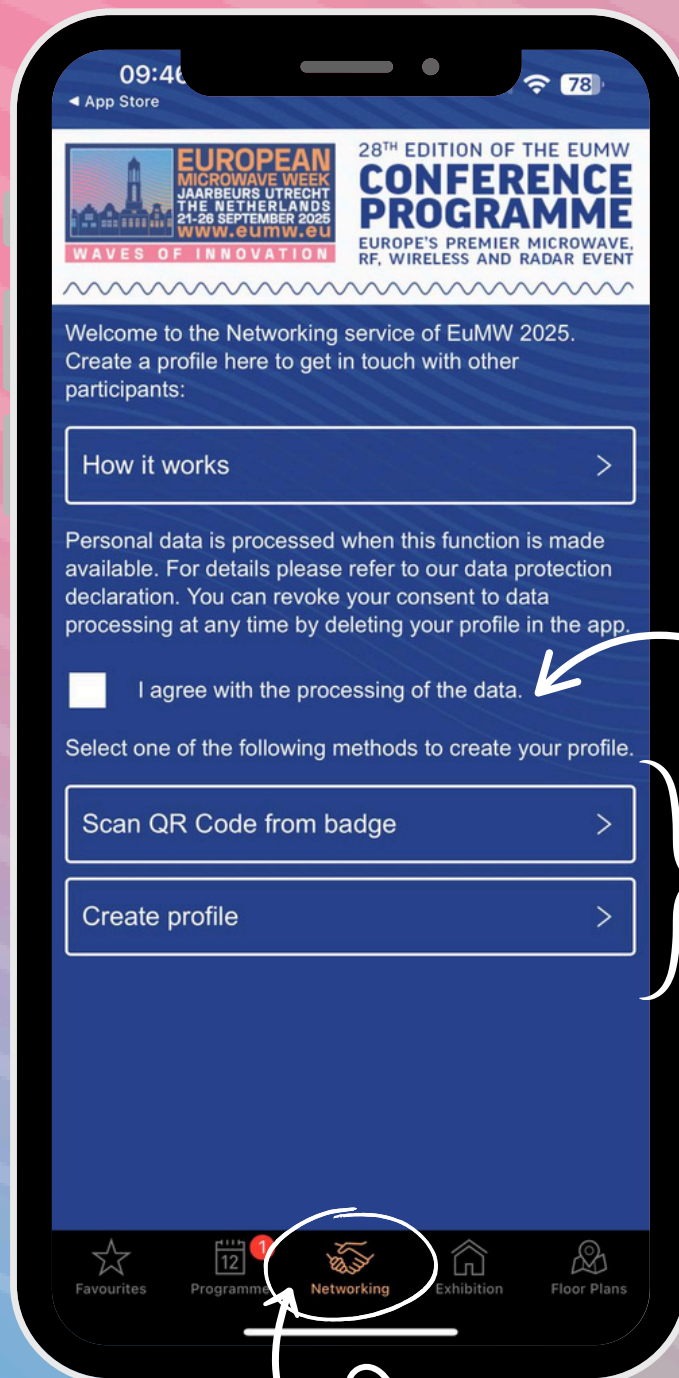

Click on the Networking tab in the menu bar

Agree with the processing of the data

Create a profile by choosing one of the two options available

Step 2

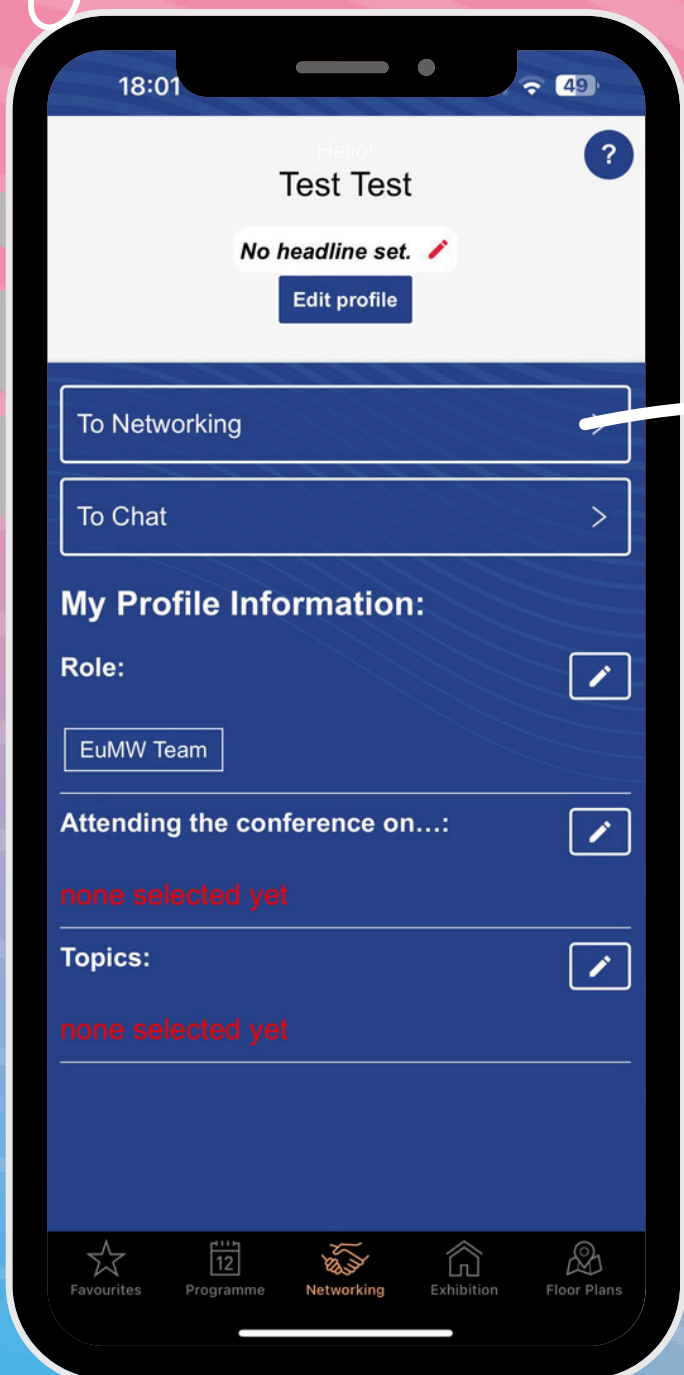

Step 3

Step 1

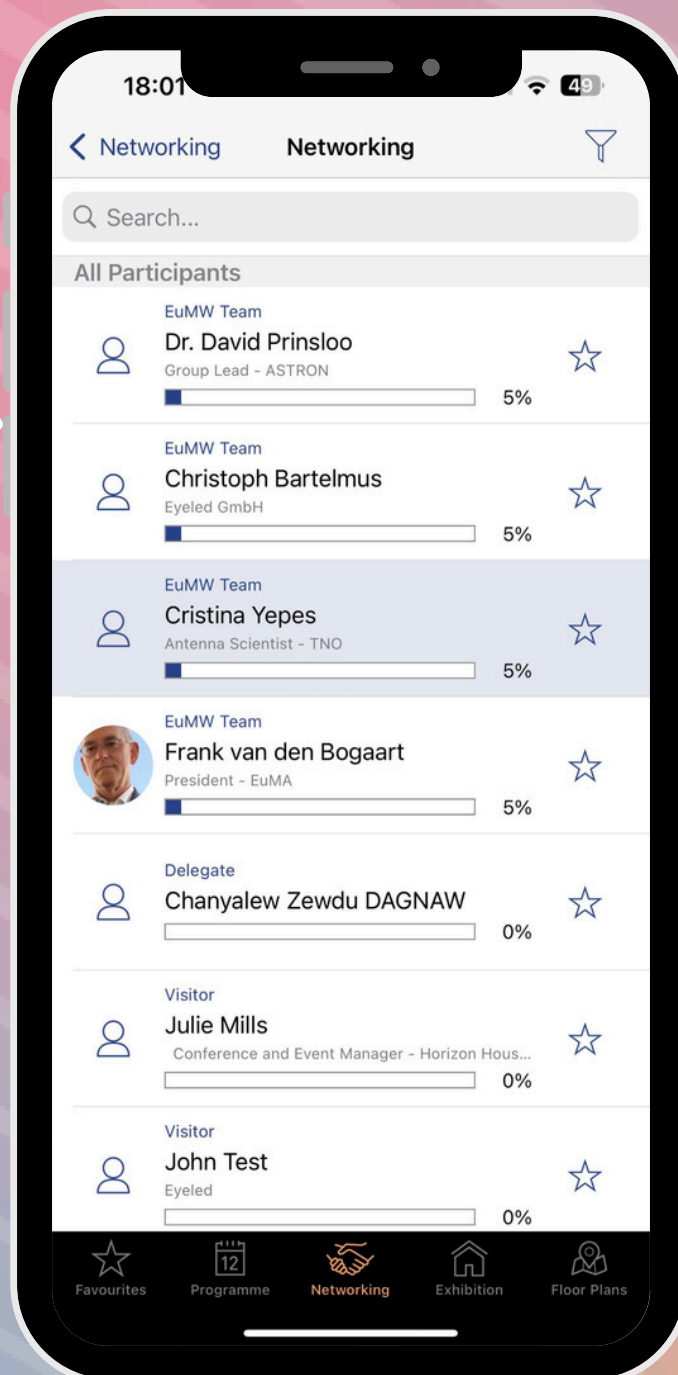

Networking page

- Once your profile is created you will see a main Networking page
- Go to Networking to see everyone that has created a profile

Main networking page

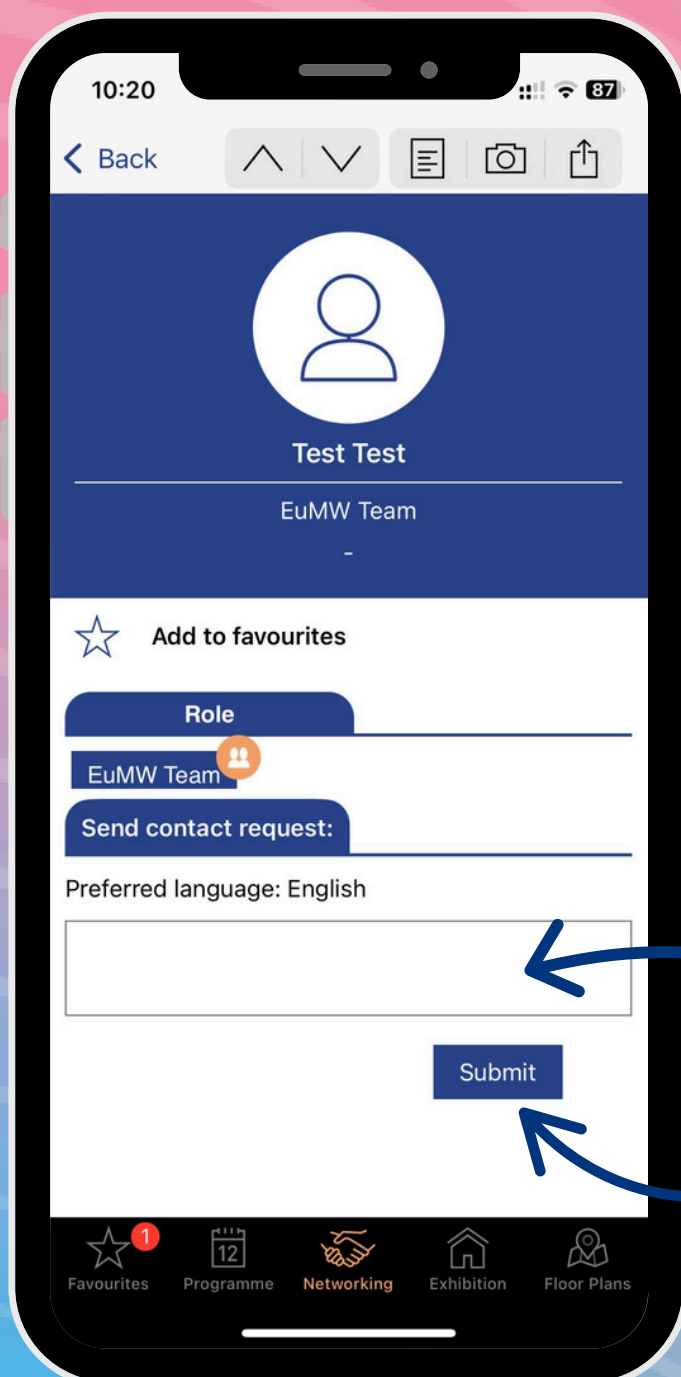

List of EuMW2025 attendees that have created a profile

Add contacts

- Enter in the profile of a person you would like to connect with
- Send a contact request
- You can customize a message before sending the request

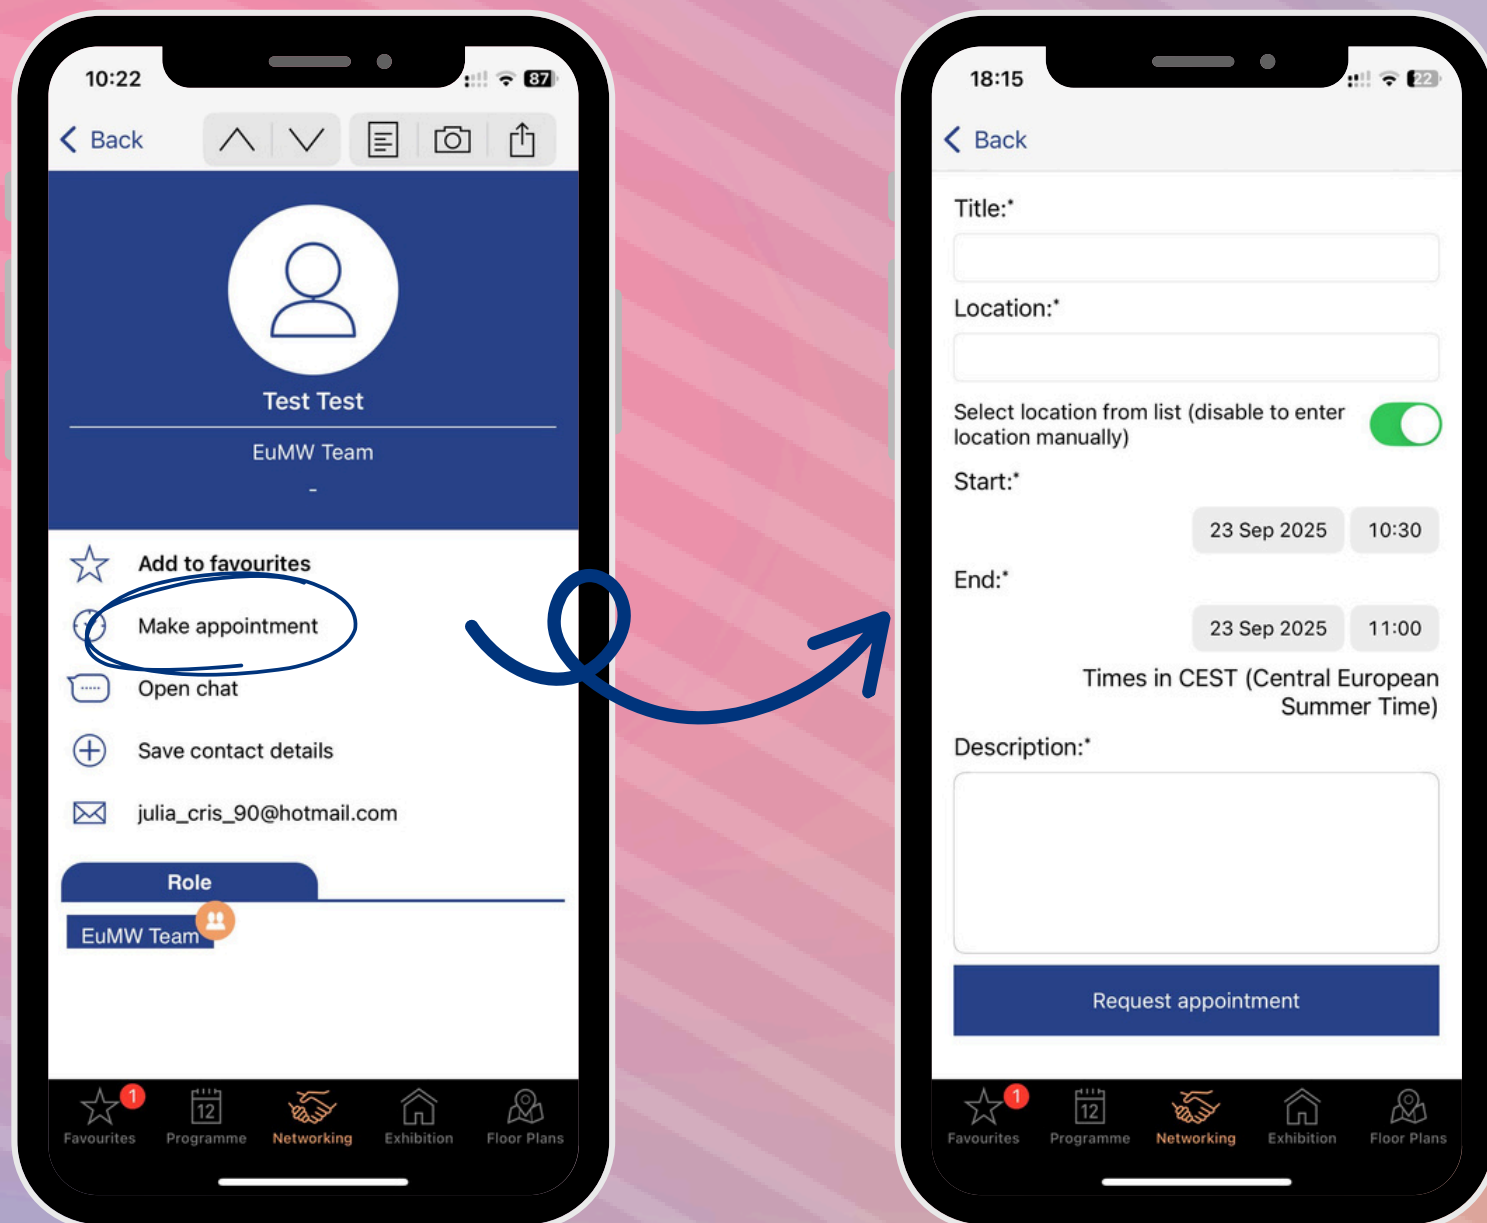

Add a message if you wish

Click on submit

Make appointment

In order to make an appointment, the person should be in your contacts (by previously accepting the contact request).

- Exhibitors will have the opportunity to book 30-minute time slots to meet with EuMW2025 attendees in a dedicated networking space
- 10 networking tables will be available at the entrance of the Exhibition area
- Appointments can be scheduled between 23–25 September 2025

Make appointment

When booking the appointment:

- **Location:** you should choose **Career Platform (Flame Foyer)**.

Accept appointment

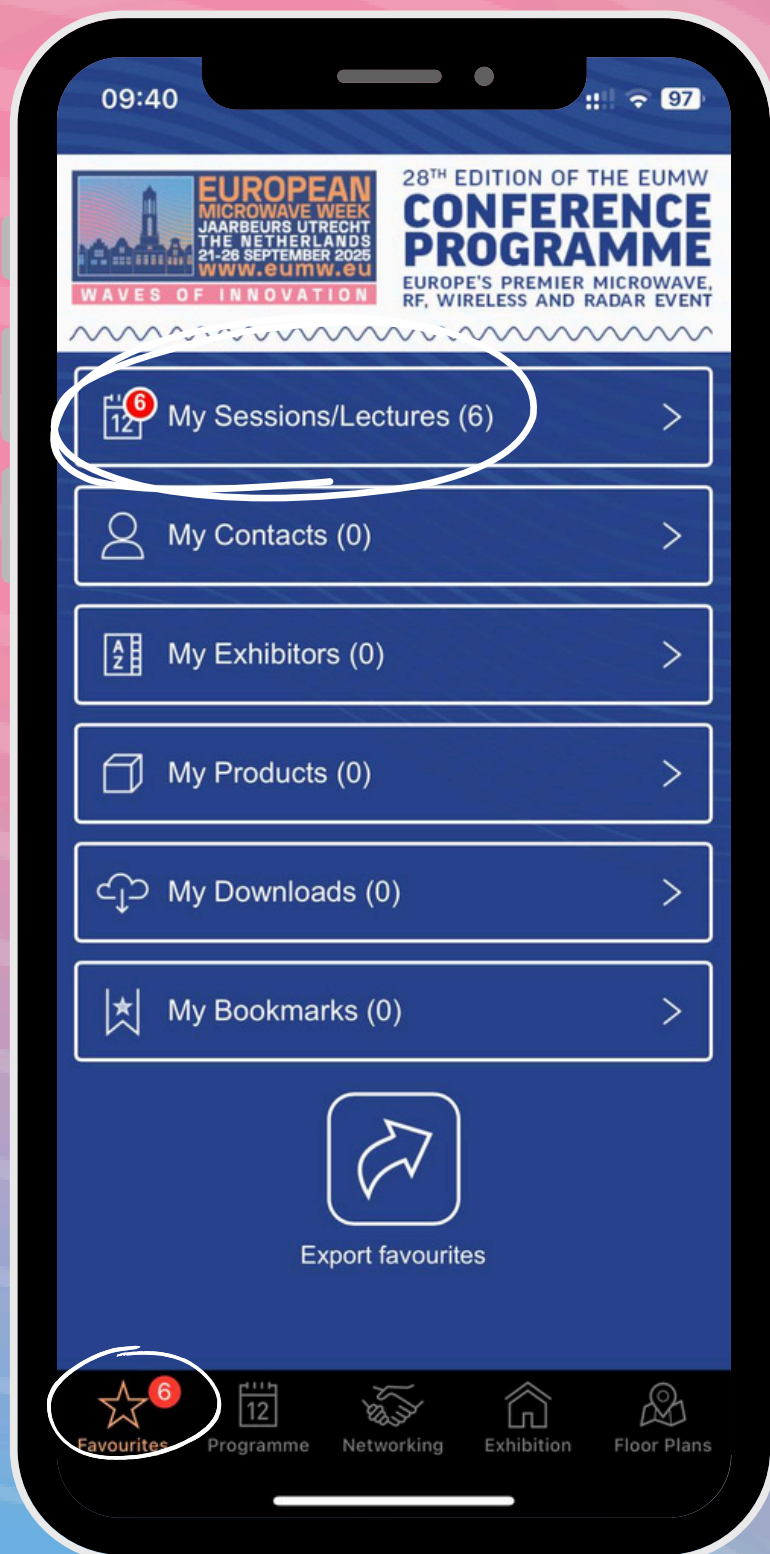

When someone request a meeting with you, you will see the notification in the Networking Area in the app.

You can accept, reject or suggest a different date.

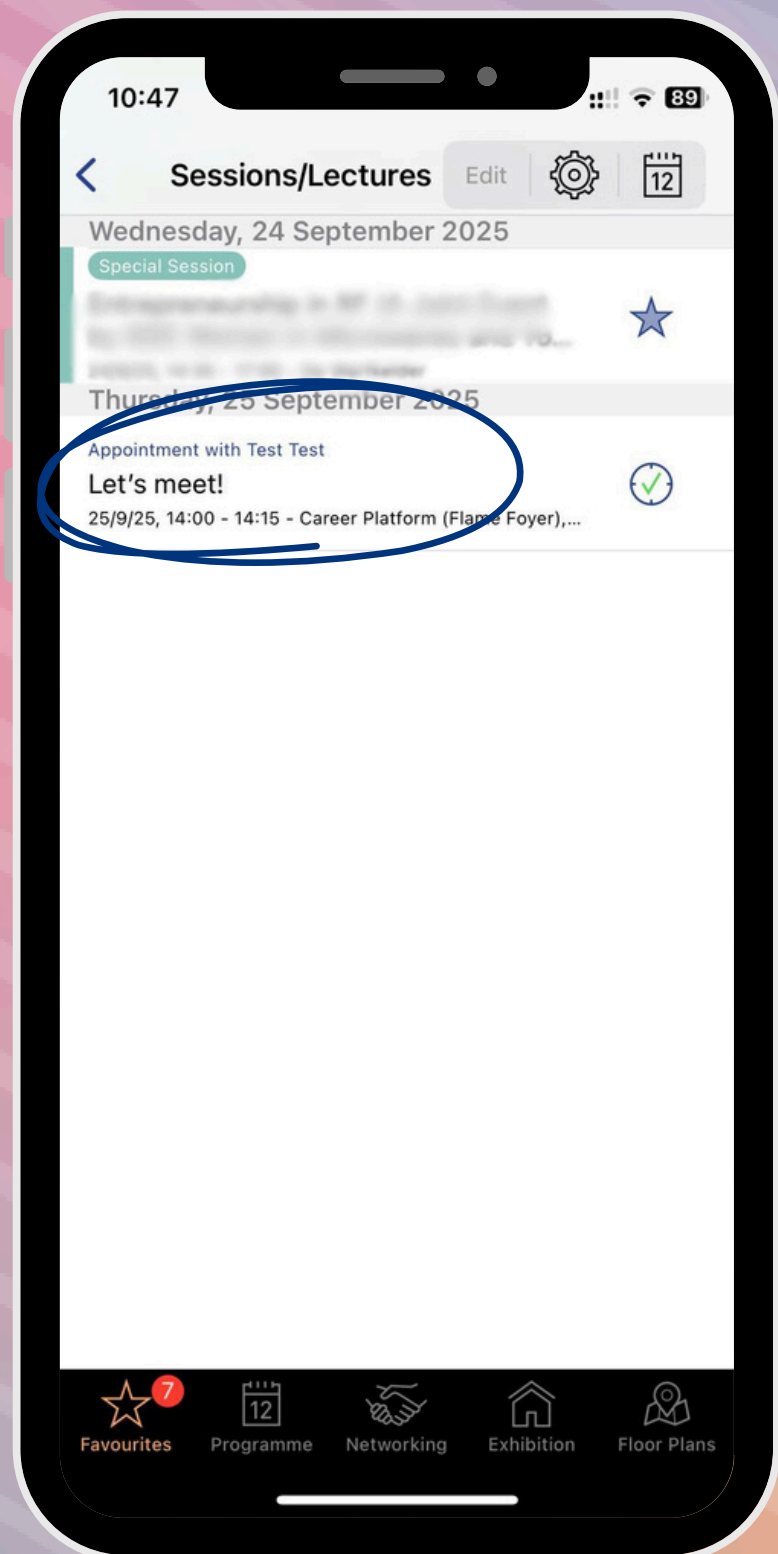

Check your appointments

When the appointment is accepted, a TABLE will be assigned to you. You can see the table number in the calendar event.

- Go to Favourites
- Click on 'My Sessions/Lectures'

- Click on the appointment to find the table number
