Poster Voting System

WAVES OF INNOVATION

Voting Instructions for the Poster Prizes

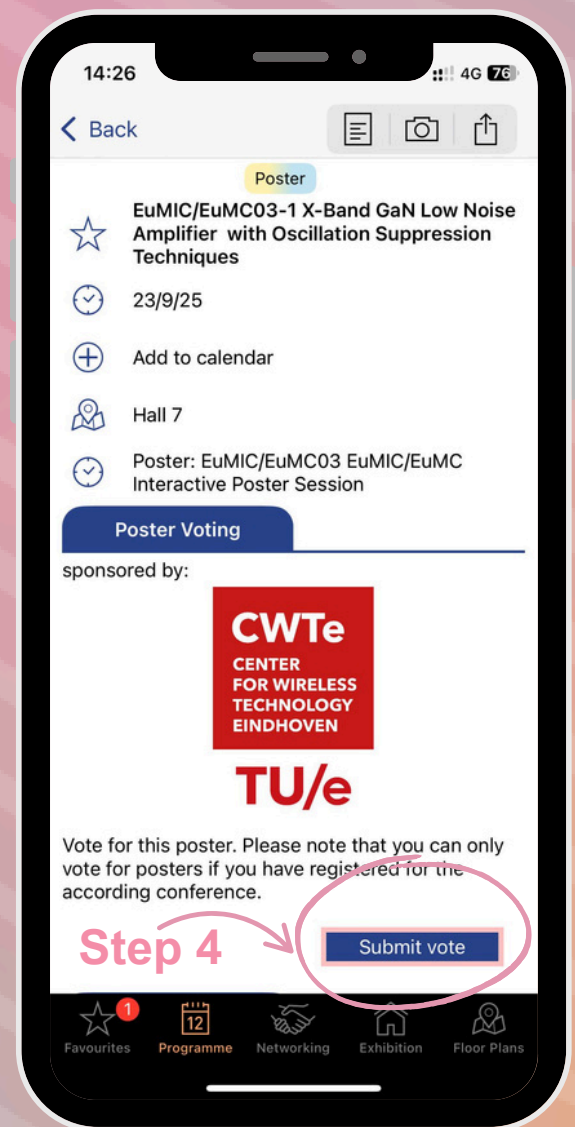

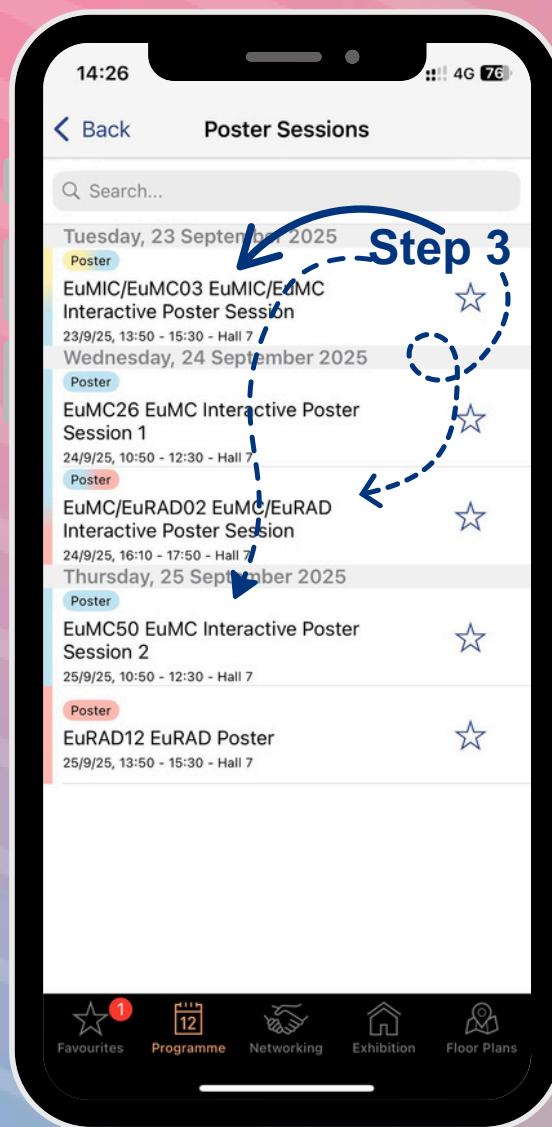

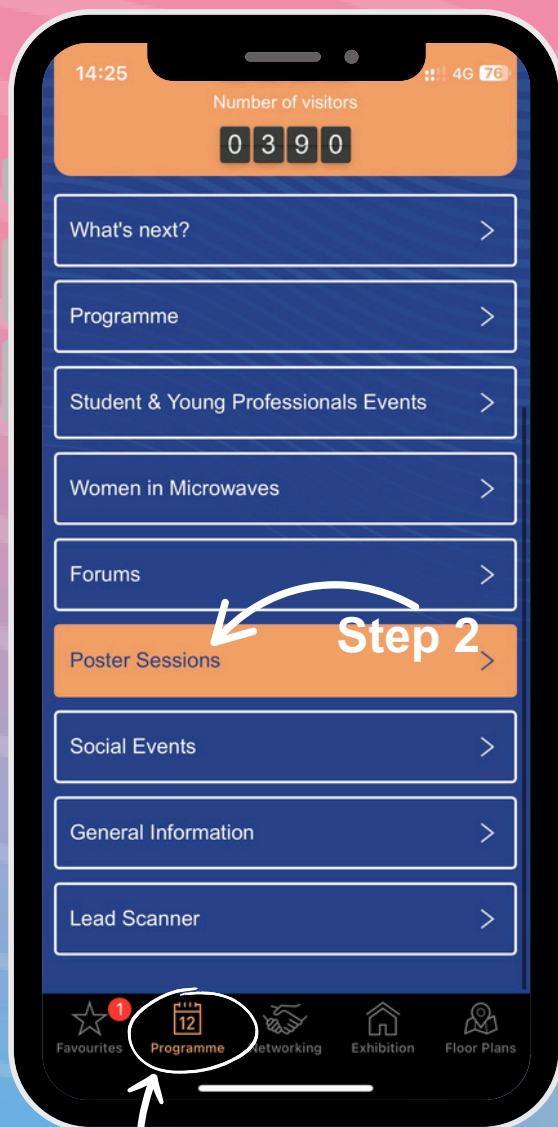

- Each participant has only **one active vote at a time.**
- There are **three different conferences** (EuMC, EuMIC, EuRAD), each with its own poster prize.
- You will be able to vote only for the conferences **you have registered for, but never more than one at a time.**
- The poster voting period for the different conferences are:
 - EuMIC → Monday 22, 8:00 - Tuesday 23, 15:40**
 - EuMC → Tuesday 23, 17:00 - Thursday 24, 15:40**
 - EuRAD → Thursday 24, 17:00 - Friday 25, 10:20**
- **Remember: only revoking your previous vote will allow you to participate in the next conference's voting.**

How to vote

Select your **favourite poster** in the **current conference** and cast your vote.

- Go to Programme and scroll down to find Poster Sessions.
- Select the poster session of your choice and scroll down to look for the poster titles.
- Click on a poster and click on Submit vote to cast your vote.

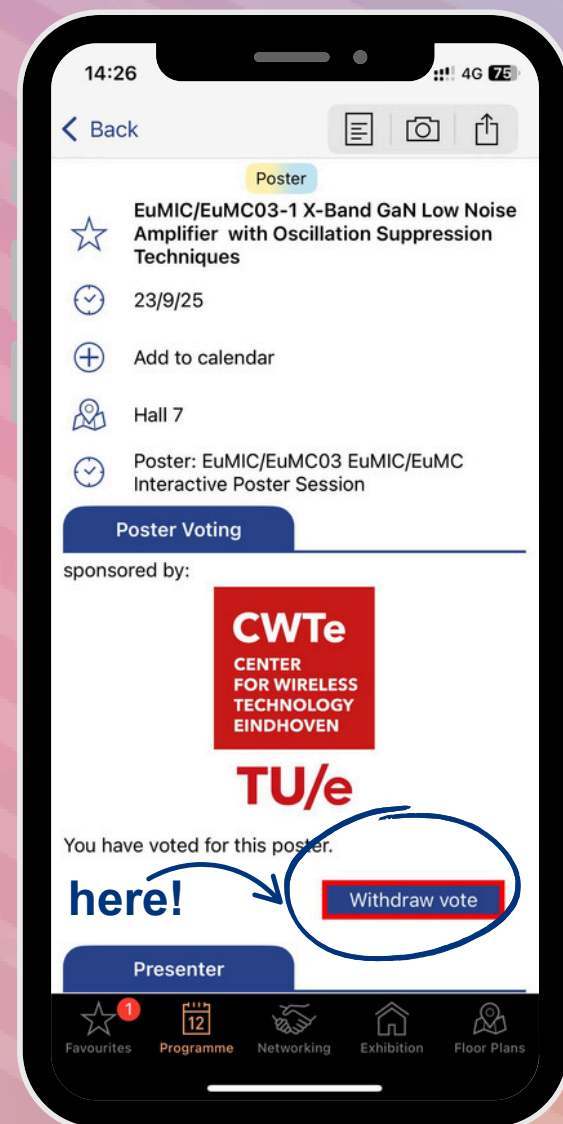

How to revoke vote

Once you have voted, your **vote remains locked** until **you revoke it**.

- Look for the poster you voted for.
- Once you click on it, you will see a button to **withdraw your vote**.
- After this, you will be able to vote another poster again.

After the deadline for one conference has passed (or if you want to switch), **go back** to the poster you voted for, **revoke** your vote, and then you **will be able to cast a vote** in the next conference.
